F. Peters, of Peg. Mrs. Shore also survived by one sister, Mrs. [illegible] Sale has been in failing health for some time. A patient and devoted mother of a large family of girls and boys, who are all mourning at her loss.

Obituary

It is with the deepest sorrow we have to record the death of our fellow citizen, Mr. William Taylor Johnson, which occurred at his home, in Evergreen, after an illness of two days following a stroke of paralysis. In the early dawn of the peaceful Sabbath morning, he left his soul passed to that far land where there is no more sorrow, no more death, where all is eternal day and where the souls of the redeemed live and on which God reigns and eternity lasts

Mr. Johnson was a member of the Evergreen Presbyterian church and was a man of strong convictions and nobility could turn him from the path of integrity, honor and high mindedness Waste his religion was not that of form and ceremony, always preferring to give his aid and sympathy in his own quiet way known only to him who doeth all things well

Everything that was within to the best physicians obtainable and loving hearts suggest was done to relieve his suffering, but the message had come it is enough.

His devoted wife, who was unceasing in her ministrations survives with nine two brothers, Mr. Charlie Johnson, of Lynchburg, Dan Johnson, of Lynchburg, besides his aged father, Mr. Will Johnson and the following children—Mrs. Joe Blankburn, of Lynchburg; Mrs Sam Evans, of Appomattox; and Mr. Harry Johnson, of Evergreen.

Mr. Johnson was of a sunny, genial disposition which won many friends for him as attested by the large crowd which followed him to his last resting place and in the number and beauty of the floral offerings. He was 47 years of age.

Rev. Lapps conducted the burial services at the Presbyterian church and at the grave. He was buried in the family lot. Mr. J. O. Evans, where by the side of a dearly loved daughter who preceded him to the grave one year we laid him down to await the morn when the dead in Christ shall arise.

Dearest Father we have laid thee
Where the golden grave rises
Where the golden sun sets in the West
Till we meet Love there in Heaven

Once again we hope to meet thee
When the life boat sets in the West
When the angels call us Home
Where no parting hand shall meet.

CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me, I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery [illegible]unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot...

I told my husband if he would get me a bottle of Cardui I would try it...I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less...I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life...I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial. J. 71

Carrying a Ton a Mile for less than a Cent

Freight rates have played a very small part in the rising cost of living.

Other causes—the waste of war, under-production, credit inflation—have added dollars to the cost of the necessities of life, while freight charges have added only cents.

The average charge for hauling a ton of freight a mile is less than a cent.

A suit of clothing that sold for $30 before the war was carried 2,265 miles by rail from Chicago to Los Angeles for 1½ cents.

Now the freight charge is 22 cents and the suit sells for $50.

The cost of the suit has increased 20 dollars.
The freight on it has increased only 5½ cents.
Other transportation charges enter into the cost of the finished article—carrying the wool to the mills and the cloth to the tailors—but these other charges amount to but a few cents more.

The $10 pair of shoes that used to sell for $5 goes from the New England factory to the Florida dealer for a freight charge of 5⅞ cents—only one cent more than the pre-war rate.

Beef pays only two-thirds of a cent a pound freight from Chicago to New York.

American freight rates are the lowest in the world.
